To our legislators in the 23rd, 24th, 26th, and 35th Districts,

Thank you for your support through difficulties and uncertainties this past year. As ex officio members of Peninsula RTPO and valued state partners, your support helps ensure projects and policy objectives that benefit mobility on the Olympic and Kitsap Peninsulas get fair consideration at the state level. Regional collaboration and cooperation make PRTPO strong. Our partnership with you is important to our success.

We see some key opportunities on the near horizon where we can work together to benefit communities across the region.

- **Support for a fair and balanced transportation revenue package**
Cities and counties haven't had an increase in their share of direct gas tax revenue – the only non-competitive state revenue they receive for transportation – since 2005-06. And our transit agencies provide essential rural mobility, lifeline, and intercity bus service on shoestring budgets. Our members must compete for useful but unpredictable grants to support core programs as well as major improvements and retrofits. Let's mitigate those effects and create more sustainable, predictable local revenue streams with a comprehensive multimodal transportation revenue package.
- **Advocate for more WSDOT input earlier in the funding process**
Our regional transportation system depends on the state highway and ferry system. WSDOT has discretion over just 16% of gas tax collected. This is not enough to do the preservation and retrofits to ensure facilities continue to function as intended and avoid expensive disruptions. WSDOT is not at the table when big funding decisions are made. We support participation by the Secretary of Transportation early and often during legislative discussions about transportation revenue.
- **Harness a rare opportunity presented by Federal infrastructure packages**
We have long faced severe funding deficits for core programs and project needs. An unprecedented infusion of federal funds can kickstart action on large projects and support important local, state, and tribal needs that have languished for lack of funding. We have both. The PRTPO can be a partner in helping identify multimodal project and programmatic needs for the legislature to consider for these new funds and vet potential delivery mechanisms to ensure rural equity and efficiency.
- **Make better use of existing transportation revenue**
Washington requires rural counties to allocate small amounts of federal funds to priority projects across jurisdictions. This is an inefficient use of existing revenue. Small pots of federal funds inflate local project costs and slow delivery. It increases WSDOT Local Programs administration and overhead. Swapping federal funds with state funds for small local projects is smart and efficient and is standard practice in other states. We want to help you make it standard practice here, too.

These are priority areas where we can work together to make a difference for our communities. Action in these areas will have ripple effects throughout the region as communities have more certainty about transportation funding and can prioritize and budget in ways that keep life cycle costs low while making efficient use of scarce resources.

There are other regional concerns we will track with interest this session.

- We continue to **advocate for completion of *Connecting Washington* projects** and the funding commitments made to local, state, and tribal projects back in 2015. The SR 3 Freight Corridor / Belfair Bypass project is a case in point. Let's complete this project and keep these long-standing commitments to our local communities and the traveling public.
- **Ferry vessel replacement is essential** to the safe and reliable operation of our marine highway system. Over half of all ferry trips begin or end in the Peninsula Region. Old vessels and deferred maintenance have led to service disruptions felt by business, freight, individual travelers, and the ferry terminal communities themselves. Effective state action can grow state revenues and tap new federal funding to get more vessel replacements underway.
- We are coordinating with stakeholders throughout the Olympic and Kitsap Peninsulas to **expand EV readiness of our rural routes**. Rural communities have the same needs for electric vehicle infrastructure as urban communities but lack the densities, resources, and economies of scale of those places. For Washington to meet its EV goals, and for the Peninsula region to keep up, we need charging stations all along US 101 and other key regional corridors.
- We need to **improve the resilience of our regional transportation system** and the communities it serves. Olympic and Kitsap Peninsula geographies limit us to just a few critical lifeline routes. A disruption on one is felt throughout the region. Innovative partnerships and projects, like elevating a stretch of US 101 six feet as part of Fish & Wildlife's Duckabush Estuary Restoration project, help us better withstand future shocks and adapt to a changing world while also restoring critical habitat.

PRTPO is pleased to see **broadband access** getting the attention and funding it deserves. This is what can happen when local, regional, state, and federal agencies along with their private sector partners lean into an issue of such paramount importance. We appreciate your support in ensuring communities throughout the Peninsula region are not overlooked during rollout of these investment programs.

The work we face is daunting but doable with your continued support and partnership. We look forward to working with you to improve mobility throughout the Peninsula region and keep travel safe, reliable, and sustainable.

Residents Pay More than Their Fair Share

For every dollar residents paid in state transportation taxes and fees from 2015-2019, they only got back anywhere from 81¢ to just 39¢ in state transportation investments.

Lifeline Services Expensive to Provide

Demand-response services are a lifeline for our most vulnerable residents and, on a per-trip basis, are also the most expensive service provided by transit. **Reliable funding for rural mobility and intercity bus travel ensures people with special mobility needs can access essential services.**

Share of Transit Trips

Share of Operating Expense

■ Demand Response ■ Bus ■ Vanpool

Roller Coaster Budgets for Locals

Local agencies must rely on competitive grants for a large share of their transportation revenue. Agencies need more funding discretion. **Local agency shares of gas tax distribution haven't increased since 2005-06.**

US 101 East Sequim Improvements (24th LD)

Economic Vitality Chokepoints

A small number of access points and congestion issues undermine economic opportunity and affect mobility across wide areas of the region. State and local collaboration is needed to address these challenges to regional and state mobility.

Essential Marine Highway System

The majority of ferry trips in Washington begin or end in our region and the Coho is an international gateway for the State. This marine highway system is essential to our regional mobility and economic health.

**Transportation Outlook 2022
Peninsula RTPO Investment Priorities**

Project	Agency	LD#	PRTO Priority Project Characteristics										Total Cost	Already Secured	
			Multiple Modes	Shovel-ready	Economic Chokepoint	System Preservation	Improve Safety	Special Needs Mobility	Increase Resiliency	Connecting WA	Local TIP				
SR 104 Kingston Congestion Mitigation <i>Realign and improve SR 104 and holding capacity, manage ferry traffic in Kingston</i>	Kitsap County	23	*	*	*	*	*							\$20 M	\$2.76 M
Noll Road Corridor Improvements <i>Three phases of corridor projects will improve multimodal mobility, increase system safety, and improve traffic flow along SR 305 corridor</i>	Poulsbo	23	*		*	*			*	*	*			\$28.3 M	\$21.4 M
Elwha River Bridge Replacement <i>Replace deficient 1926 bridge with new structure designed to current standards</i>	Clallam County	24	*	*	*				*		*			\$30.3 M	\$30.3 M
Olympic Discovery Trail - Forks to La Push <i>Complete next 13 mile segment of ODT connecting Forks to La Push and the Quileute Nation, Olympic National Park coastal trailheads</i>	Clallam County	24	*			*	*	*			*			\$21 M	\$7.6 M
SR 19 Chimacum Rhody Drive Ped-Bike Improvements <i>Build Safe Routes to School and active transportation facilities on a Tourist Corridor from Anderson Lake Rd to Beaver Valley Rd</i>	Jefferson County	24	*	*		*	*	*			*			\$1.7 M	\$0.3 M
Olympic Discovery Trail - Larry Scott Trail to US101 S Discovery Bay <i>Construct accessible 10.12 mile segment of the ODT and Pacific NW National Scenic Trail systems (East Olympic Peninsula)</i>	Jefferson County	24	*			*	*	*			*			\$15.6 M	\$3.8 M
Peabody Creek/Lincoln Street Culvert Repair <i>Critical culvert repair to minimize potential for collapse and property damage, and improve fish passage</i>	Port Angeles	24		*	*	*	*	*			*			\$3.5 M	\$0.3 M
SR 20 Improvements at Mill Road and at Kearny Road <i>Joint project with WSDOT to replace signals and improve SR 20 intersections at Mill Road and at Kearny Road.</i>	Port Townsend	24	*			*					*			\$1.7 M	
US 101 East Sequim Corridor <i>Complete Simdars Rd/US 101 interchange, build frontage road connector</i>	Sequim	24	*		*	*	*	*			*			\$37 M	\$1.9 M
SR 112 Repair and Repaving Project - Clallam Bay to Neah Bay <i>Complete repairs and repaving of 23 mile state highway from Clallam Bay to Neah Bay, the only road access to the Makah Reservation</i>	WSDOT / Makah Nation	24	*	*	*	*	*	*						\$30 M	
Bay Street Pedestrian Pathway <i>Complete pathway construction between Port Orchard Boulevard and Annapolis ferry terminals for 1.2 mile waterfront pathway</i>	Port Orchard	26	*	*		*	*	*			*			\$3.0 M	\$3.0 M
Sedgwick Rd/SR 160 Corridor Improvements <i>Design and construct near-term improvements described in WSDOT's 2018 SR 16 Corridor Congestion Relief Study.</i>	Port Orchard	26	*		*	*	*	*			*			\$6.0 M	
SR 3/16 Gorst Project - Resiliency, Mainline Capacity, & Non-Motorized Connectivity <i>Improve SR 3/16 in Gorst</i>	Kitsap County	26, 35	*		*	*	*	*			*			\$425 M	
7th Street Preservation and Signal Upgrade - Alder to Park Street <i>Pavement preservation project with a signal upgrade at 7th and Railroad Avenue</i>	Shelton	35	*		*	*	*	*			*			\$1.5 M	
SR 3 Freight Corridor (Belfair Bypass) <i>Construct new corridor parallel to SR 3 in Belfair, providing alternate route and improved freight access</i>	Mason County	35	*		*	*	*	*	*	*	*			\$66.9 M	\$66.9 M

Pavement Preservation and Transit State of Good Repair

PRPTO stands with its local, state, and tribal partners in emphasizing the need for adequate funding to preserve and maintain the existing transportation system - streets and highways, bridges, ferry terminals and vessels, transit infrastructure, trails and pathways, sidewalks, and technology. Existing revenues are insufficient to maintain a State of Good Repair which increases the funding deficit.
